

### Head Dance Coach – [Libby Navarro](#)

Libby grew up in Tucson, AZ where she began studio dance at the age of 10. She continued her dance education through high school and college, focusing on the following dance styles in order of knowledge: ballet, jazz, contemporary, and hip hop. The 2020-2021 school year will be Libby's second year as Head Dance Coach of the Devil Dancers.

### Asst. Dance Coach – Christy Menendez

I'm originally from Omaha, NE. I moved to CO with my dog Brazen, she's a 6 year old Boxador. I was a cheerleader in high school and I use to coach gymnastics. Full-time I work for VVH. I am a Certified Medical Assistant from Nebraska Methodist College and I have my BS in Healthcare Mgmt from Bellevue University.

I enjoy teaching/coaching students by watching them grow and advance throughout time. It's exciting to see them improve and master skills they never thought they could. I give so much compliment and rejoice to them. When you see that "I did it" look on their face, it makes me so happy for them, because what they thought was hard and impossible, is now on their list of accomplishments and their strong will of determination.

I'm very excited to be a Devils Coach and to be a part of a community with positive awareness, respect, and dignity.
