

Head Girls Soccer Coach –Coach Alli Weibel

Coach Weibel has been playing soccer since about the age of 4. Alli rose up through competitive leagues in the Midwest, and eventually opted to play at the club-level at Colorado College, where she was a two-year captain. After undergrad, Alli began her teaching career and found her way into coaching. The 2021 Spring will be her 4th year coaching girls in the Valley, and her 6th overall. She has a competitive spirit and pushes the girls to live up to their potential. She demands a lot of players, asking for dedication, teamwork and inclusivity. Together, the team will work to develop tactical knowledge, technical skills, fitness and physicality necessary to be a formidable adversary on the Western Slope.

Asst. Girls Soccer Coach –
